Math 1513 - College Algebra

Written Assignment 16 - Due 2016.05.06

Directions: Please answer the following question in complete sentences. Be sure to label all geometric objects in any illustrations (if any). I will accept an answer in a scanned image format, as a pdf, or as a picture taken and sent from your awesome smart phone.

Please answer the following questions as honestly as possible.

1. Were your expectations met by the end of this course?

2. Was there anything that happened in this course over the semester that was unexpected?

3. What did you like most about the course?

4. What would you suggest changing about the course (and no, less HW is not an option here)?

5. How did you like ALEKS? Good, bad, mixed? Why?

Any other comments would be greatly appreciated
