Programs Typically Leading to Certification

* Educational Leadership and School Counseling lead to Oklahoma certification. Many states allow students to obtain Oklahoma certification and then transfer the Oklahoma license to their state. Oklahoma certification requires a passing score on the Oklahoma Subject Area Test (OSAT) in School Counseling, Principalship, and Superintendent. The OSAT is offered nationwide at any Pearson Vue Testing Center.

The information below is our best attempt to understand your state's certification. ***Students are strongly encouraged to verify that our program meets your certification goals within your state licensure requirements.*** For further assistance, please contact Certification Officer Jennifer Arnold (jarnold@se.edu), School Counseling Coordinator Dr. Kathy McDonald (kmcdonald@se.edu), or Educational Leadership Coordinator Dr. Jerry Stout (jstout@se.edu).

School Counseling – Alabama requires a 600-hour internship. **Southeastern *does not* offer this type of internship.** If your goal is to be a certified school counselor in Alabama, please check with the Alabama State Department of Education before enrolling in the SE school counseling program. You can access information about Alabama's out-of-state reciprocity agreement here.

Principal and Superintendent – If you goal is to be a certified administrator in Alabama, please check with the Alabama State Department of Education before enrolling in the SE Educational Leadership program. You can access information about Alabama's out-of-state reciprocity agreement here.
