CURRICULUM VITAE

August 1, 2019

DOUGLAS R. WOOD, Ph.D.

Professor, Department of Biological Sciences

425 W. University Boulevard

Durant, OK 74701

580-745-2272

dwood@se.edu

EDUCATION:

Year	*Degree*	*Discipline*	*University*
2001	Ph.D.	Forestry and Wildlife Ecology	Mississippi State University
1995	M.S.	Zoology	Eastern Illinois University
1992	B.A.	Biology	Boston University

ACADEMIC AND RELATED NON-ACADEMIC EXPERIENCE:

Year(s)	*Title and Institution*
2012-Current	Full Professor, Biological Sciences, Southeastern Oklahoma State University
2015 (Fall)	Sabbatical to analyze long-term bird population data
2006-2011	Associate Professor, Biological Sciences, Southeastern Oklahoma State University
2003-Current	Graduate Faculty, Biological Sciences, Southeastern Oklahoma State University
2010	Adjunct Faculty, Zoology, University of Oklahoma Biological Station (Summer)
2006-2010	Adjunct Faculty, Natural Resources, Louisiana State University
2001-2005	Assistant Professor, Biological Sciences, Southeastern Oklahoma State University
2001	Instructor, Wildlife Co-Op program, Grambling State University (Spring Only)
2000	Instructor, Wildlife Ecology, Mississippi State University

PROFESSIONAL INTERESTS:

Ornithology	Zoology
Endangered Species Management	Wildlife Management
Conservation of Natural Resources	Science Education

CURRENT RESEARCH INTERESTS:

Avian Migration Banding Data Analysis

Status: Sabbatical (Fall 2015) – Ongoing

This project involves statistical analysis and publication of a 34-year bird banding data set from the Heard Museum in McKinney, Texas. Manuscripts in preparation include topics such as avian survival estimates and migration phenology related to climate change.

Patch and Landscape-scale Relationships with Lark Sparrow Abundance and Reproductive Success

Status: Fall 2018-Ongoing

This project involves the use of GIS to model the relationship between Lark Sparrow abundance and reproductive success compared to patch and landscape-scale variables in south-central Oklahoma.
Graduate Student: Torie Cowell – MT Biological Sciences

AWARDS AND HONORS:

Year	Award/Honor
2018	Oklahoma Ornithological Society Certificate of Merit
	Awarded Faculty Senate Award for Research/Scholarship
	Nominated for Faculty Senate Awards for Research/Scholarship and Teaching
2017	Nominated for Faculty Senate Awards for Research/Scholarship and Teaching
2017	Woodmen Life Durant Chapter Environmental Award
2016	Nominated for Faculty Senate Awards for Scholarship, Teaching, and Service

2016	Nominated for Oklahoma Medal for Excellence in Teaching at a Regional University or Community College
2015	Nominated for Faculty Senate Award for Scholarship
2015	Nominated for Oklahoma Medal for Excellence in Teaching at a Regional University or Community College
2013-2014	Awarded Faculty Senate Award for Teaching
	Nominated for Faculty Senate Award for Teaching
2013-2014	Awarded Faculty Senate Award for Scholarship
	Nominated for Faculty Senate Award for Scholarship
2013-2014	Nominated for Faculty Senate Award for Service
2012-2013	Nominated for Faculty Senate Award for Teaching
2011-2012	Nominated for Faculty Senate Award for Teaching
2011-2012	Nominated for Faculty Senate Award for Scholarship
2011-2012	Nominated for Faculty Senate Award for Service
2011	Nominated for Oklahoma Medal for Excellence in Teaching at a Regional University or Community College
2010	Nominated for Faculty Senate Award for Teaching
2010	Awarded Distinguished Volunteer Award from Tishomingo National Wildlife Refuge for volunteer work as President of TREES and for volunteer work at the Tishomingo National Wildlife Refuge
2009	Nominated for Faculty Senate Award for Teaching
2009	Nominated for Faculty Senate Award for Scholarship
2008	Nominated for Pennington Conservation Award by Arbuckle-Simpson Nature Festival and TREES
2008	Awarded Faculty Senate Recognition Award for Teaching in Science and Technology
	Nominated for Faculty Senate Recognition Award for Teaching
2007	Awarded Distinguished Volunteer Award from Tishomingo National Wildlife Refuge for volunteer work as Vice-President7 of TREES

	Nominated for Faculty Senate Recognition Award for Teaching
2001-Current	I hold a Master Bird Bander Permit from the USGS Bird Banding Laboratory in Patuxent, Maryland. Bird banding is a central component of my ornithological field research.

PROFESSIONAL MEMBERSHIPS:

American Ornithological Society Life Member	Association of Field Ornithologists Life Member
Inland Bird Banding Association Life Member	North American Bluebird Society Life Member
Oklahoma Academy of Science – Various Years	Oklahoma Ornithological Society Life Member
The Wildlife Society 1996-Current	Wilson Ornithological Society Life Member

SOSU ORNITHOLOGY AND MAMMALOGY TEACHING COLLECTION

I curate the SOSU Ornithological Teaching Collection of various bird specimens for the Department of Biological Sciences. The collection currently has 655 specimens of 198 species which serves as an excellent teaching tool for my Ornithology and Zoology courses. SOSU undergraduate and graduate students assist me with the collection and gain experience in museum techniques. I also began curating the mammal teaching collection in 2010 for the Mammalogy and Zoology courses.

PARTICIPATION IN HONORS PROGRAM

I have served as an Honors professor for several students.

TEACHING AWARDS

Awarded the Faculty Senate Award for Teaching in the Science and Technology area in 2008 and 2013. I was nominated three times for the Oklahoma Foundation for Excellence in Teaching Award (2011, 2015, 2016).

PUBLICATIONS/THESES:

Masters Theses Advised/In Progress:

Akin, G. G. (2017). Thesis. Lark Sparrow (*Chondestes grammacus*) abundance, density, and the effects of microhabitat factors on nest success in Southern Oklahoma. I served as Major Professor.

DeGarmo, S. (2016). Thesis. Eurasian Collared-Dove (*Streptopelia decaocto*) nesting phenology, nest site characteristics, and reproductive success in Southern Oklahoma. I served as Major Professor.

Leonard, P. J. (2015). Thesis. Avian diversity, abundance, and nest success among managed prairies and agricultural plots in Southern Oklahoma. I served as Major Professor.

Diggs, M. L. (2009). Thesis. Post-flood response by the Prothonotary Warblers (*Protonotaria citrea*) at the Tishomingo National Wildlife Refuge. Southeastern Oklahoma State University. I served as Major Professor.

Herbez, E. M. (2009). Thesis. Adult translocation success of the federally-endangered Red-cockaded Woodpecker. Louisiana State University. I served as Co-Major Professor.

Books/Book Chapters/Monographs:

Wood, D. R. (2005). Downy Woodpecker (Species Account). Pp 237–238 *in* Birds of Washington: Status and Distribution. Oregon State University Press, Corvallis, Oregon, USA.

Wood, D. R. (2005). Hairy Woodpecker (Species Account). Pp 238–239 *in* Birds of Washington: Status and Distribution. Oregon State University Press, Corvallis, Oregon, USA.

Wood, D. R. (2005). Northern Flicker (Species Account). Pp 241–242 *in* Birds of Washington: Status and Distribution. Oregon State University Press, Corvallis, Oregon, USA.

E. Corbett, Wood, D. R., & Patton, T. Oklahoma Academy of Science, Science Education Section, Bethany, Oklahoma, October 31, 2008. Title: *Field Trips: What is their future?*

Wood, D. R. Oklahoma Ornithological Society Technical Meeting, Tulsa, Oklahoma, October 5, 2008. Title: *Migrant songbird banding at Tishomingo National Wildlife Refuge, Oklahoma*.

Diggs, M., & Wood, D. R. Oklahoma Ornithological Society Technical Meeting, Tulsa, Oklahoma, October 5, 2008. Title: *Post-flood nest box use and reproductive success of Prothonotary Warblers (Protonotaria citrea) at Tishomingo National Wildlife Refuge, Oklahoma*.

2007 – Oral

Wood, D.R. Oklahoma Academy of Science, Science Education Section, Tulsa, Oklahoma, November 2, 2007. Title: *Designing and conducting a field trip course: Field Ornithology - A Case Study*.

Wood, D. R. Oklahoma Ornithological Society Technical Meeting, Lawton, Oklahoma, October 27, 2007. Title: *Field Ornithology to Big Bend: Two Vans, Eleven Students, Nine Days, and One Crazy Professor*.

Wood, D. R., & Reasor, J. Wildlife Society Annual Conference, Tucson, Arizona, September 24, 2007. Title: *Prothonotary Warbler nest box use, reproductive success, and site fidelity in small habitat fragments in Oklahoma*.

Wood, D. R. Prairie and Timbers Audubon Society, Heard Museum, McKinney, Texas, April 24, 2007. Title: *Changes in Latitudes - Nearctic-Neotropical songbird wintering behavioral ecology and habitat use*.

Wood, D. R. Banquet speaker for Arbuckle-Simpson Nature Festival at Murray State College, Oklahoma, May 5, 2007. Title: *The Birds of Tishomingo National Wildlife Refuge*.

2006 – Oral

Wood, D. R. Oklahoma Ornithological Society Technical Meeting, Shawnee, Oklahoma, October 21, 2006. Title: *Morphometric characteristics of Prothonotary Warblers in Oklahoma*.

2005 – Oral

Wood, D. R., & Reasor, J. Oklahoma Ornithological Society Technical Meeting, Stillwater, Oklahoma, September 10, 2005. Title: *Prothonotary Warbler site fidelity and reproductive success in southeastern Oklahoma*.

Corbett, E. A., & Wood, D. R. Oklahoma Academy of Science, Science Education Section, Edmond, Oklahoma, November 5, 2005. Title: *Developing an introductory GIS course for natural resource students*.

2005 – Poster

Shoopman, S., Wood, D. R., & Patton, T. OKAMP 10th Annual Research Symposium, Oklahoma State University, September 24, 2005. Title: *Prothonotary Warbler nest success at a Wildlife Refuge*.

2004 – Oral

Ludrick, B., & Wood, D. R. Oklahoma Academy of Science Technical Meeting, Edmond, Oklahoma, November 5, 2004. Title: *Developing a collegiate bioethics course*.

Stottlemyre, K., Miller, B., Ludrick, B., & Wood, D. R. Oklahoma Academy of Science Technical Meeting, Edmond, Oklahoma, November 5, 2004. Title: *Using field research with Oklahoma box turtles to increase science reasoning skills of secondary science students*.

Wood, D. R. Inland Bird Banding Association Annual Meeting, Bartlesville, Oklahoma, November 6, 2004. Title: *Prothonotary Warbler banding, recaptures, and reproductive success in a fragmented Oklahoma landscape*.

Wood, D. R. Oklahoma Ornithological Society Technical Meeting, Tulsa, Oklahoma, October 16, 2004. Title: *Reproductive success and intraseasonal movement patterns of recaptured Prothonotary Warblers at Tishomingo National Wildlife Refuge*.

Wood, D. R. Oklahoma Ornithological Society Technical Meeting, Tulsa, Oklahoma, October 16, 2004. Title: *Red-cockaded Woodpecker reproductive success and habitat selection at multiple spatial and temporal scales*.

Wood, D. R. Southwestern Association of Naturalists 51st Annual Meeting, San Antonio, Texas, April 16, 2004. Title: *Prothonotary Warbler reproductive success and spatial dynamics in a fragmented landscape in Oklahoma*.

2004 – Poster

Pugh, R. E., Reasor, J. A., & Wood, D. R. Southwestern Association of Naturalists 51st Annual Meeting, San Antonio, Texas, April 16, 2004. Title: *Nocturnal bird surveys at the Tishomingo National Wildlife Refuge using silent and playback methods*.

2003 – Oral

Wood, D. R. Oklahoma Ornithological Society Technical Meeting, Austin College, Texas, October 18, 2003. Title: *Prothonotary warbler nest box use and reproductive success at Tishomingo National Wildlife Refuge, Oklahoma*.

Reasor, J., Pugh, R., & Wood, D. R. Oklahoma Ornithological Society Technical Meeting, Austin College, Texas, October 18, 2003. Title: *Nocturnal owl surveys at the Tishomingo National Wildlife Refuge using silent and playback methods*.

Ludrick, B., Wood, D. R., & Munholland, A. Oklahoma Ornithological Society Technical Meeting, Austin College, Texas, October 18, 2003. Title: *Field research experiences improve secondary science teacher attitudes towards science inquiry*. Oklahoma Ornithological Society Technical Meeting, Austin College, Texas, October 18, 2003.

Pugh, R., Reasor, J., & Wood, D. R. SOSU Undergraduate Science Student Symposium, September 15, 2003. Title: *Nocturnal owl surveys at the Tishomingo National Wildlife Refuge using silent and playback methods*.

Sutterfield, A., Patton, T., & Wood, D. R. SOSU Undergraduate Science Student Symposium, September 15, 2003. Title: *Movement and home range of ornate and three-toed box turtles in Bryan County, Oklahoma*.

Morel, J. & Wood, D. R. SOSU Undergraduate Science Student Symposium, September 15, 2003. Title: *Prothonotary Warbler ecology at Tishomingo National Wildlife Refuge*.

Sutterfield, A., Patton, T., & Wood, D. R. OKAMP 8th Annual Research Symposium, Oklahoma State University, September 20, 2003. Title: *Movement and home range of ornate and three-toed box turtles in Bryan County, Oklahoma*.

Morel, J., & Wood, D. R. OKAMP 8th Annual Research Symposium, Oklahoma State University, September 20, 2003. Title: *Prothonotary Warbler ecology at Tishomingo National Wildlife Refuge*

2003 – Oral

Sutterfield, A., Patton, T., & Wood, D. R. Oklahoma Academy of Sciences Technical Meeting, November 11, 2003. Title: *Movement and home range of ornate and three-toed box turtles in Bryan County, Oklahoma*.

Smith, B., Battles, D., Ludrick, B., & Wood, D. R. Oklahoma Academy of Sciences Technical Meeting, November 11, 2003. Title: *Secondary science teachers and biological research in southeastern Oklahoma*.

2002 – Oral

Wood, D. R., Bowman, J. L., & Burger, L. W. North American Ornithological Congress, New Orleans, Louisiana, September 26, 2002. Title: *Avian community response to intensive Red-cockaded Woodpecker habitat management*.

2001 – Oral

Wood, D. R., Armacost, J. W., Vilella, F. J., & Burger, L. W. Annual meeting of the Southeastern Association of Fish and Wildlife Agencies, Louisville, Kentucky, October 16, 2001. Title: *Surveying nocturnal bird communities of the Southeast with silent and playback methods*.

Volunteer, Durant High School Career Day, November 4, 2016. Recruited for Fish and Wildlife Sciences program.

Academic Advisor, Department of Biological Sciences. Advised students majoring or minoring in Fish and Wildlife Science, Biology with the Zoology Option, and Environmental Science minors.
