AT THE
ARDMORE
HIGHER EDUCATION CENTER**

Welcome to Southeastern! We're here at the Ardmore Higher Education Center to help you achieve your educational and personal goals by providing a variety of credit courses offered both on-site and on-line.

Whether you are a new or returning student, enrolling is streamlined by our on-line system, **Campus Connect**.

Your advisor, **Chris Smith**, is here to assist you in your choice of classes to ensure the courses are consistent with your educational goals.

Deborah Godwin navigates you through your options in the Financial Aid application process.

APPLYING TO SOUTHEASTERN

New students begin by applying for admission to the University using the online application at our website, www.SE.edu; the application fee is payable via credit card. You may also mail an application and check to the Southeastern Office of Admissions. In addition to the application, you'll need to send official transcripts from all colleges / universities attended. Once your application and documents are received, you'll receive notice of your admission status.

ADVISING AND ENROLLING

All admitted and returning students meet with Chris Smith each semester to discuss their educational goals. Call him at 580.220.2877 to schedule your advising appointment. He will then assist you with enrollment using Campus Connect and with logging into your own Campus Connect account.
