Effective 08/2014
POLICIES OF GENERAL EDUCATION

1. A student must have a 2.00 retention/graduation GPA in all general education coursework completed.
2. A student must have a 2.00 retention/graduation GPA in all general education coursework completed at Southeastern.
3. Students must successfully complete either CIS 1003 or BIM 1513 (or their equivalent at another institution of higher education), or earn advanced standing in either course by passing a computer proficiency test offered by the Department of Chemistry, Computer, and Physical Sciences or Department of Management and Marketing at Southeastern. One year of computer science in high school will no longer satisfy the computer proficiency requirement at Southeastern.
4. A student must completed English Composition (ENG 1113), the Math requirement, and computer proficiency in his/her first 30 hours of college coursework at Southeastern.
5. A student must complete ENG 1213 and COMM 1233 or COMM 2213 within the first 45 hours of coursework at Southeastern.
