Building scaffolding in Construction Safety class
Occupational Safety Students Attend ASSE Leadership Conference
Six juniors from the Department of Occupational Safety & Health attended the American Society of Safety Engineers Region III Student Leadership Conference at Texas A&M University - College Station. The students were involved in an intense two-day series of lecture and practical application presentations on topics such as Emergency Program Management, Networking, Lessons from Seasoned Safety Professionals, Certifications, and Workplace Influence. They also took a tour of the Texas A&M Disaster City Complex used by companies and government agencies worldwide for disaster response and preparation. The group was sponsored by Dr. Wayne Jones.

Safety students attending were, (L to R) Tanner West, Lucas Perry, Heath Morrison, Devin Mullen, Cory Willingham, and Tyler Snell.
