

Dept of Occupational Safety & Health

Southeastern Oklahoma State University

MASTER OF SCIENCE IN OCCUPATIONAL SFTY & HEALTH

Effective: Fall 2009

“Primarily ONLINE”

Course	Scheduled	Compl	Grade	Hours	QP
Required Courses				35 HOURS	
SFTY 5103	Advanced Safety Program Management			3	
SFTY 5123	Crises Preparedness & Occupation Sfty			3	
SFTY 5143	Legal Liability & Workers Compensation			3	
SFTY 5153	Occupational Safety Statistics			3	
SFTY 5163	Construction Safety II			3	
SFTY 5214	Industrial Hygiene II (with weekend <i>on-campus</i> lab)			4	
SFTY 5223	Toxicology			3	
SFTY 5233	Advanced Ergonomics Engineering			3	
SFTY 5244	HAZMAT II (with weekend <i>on-campus</i> lab)			4	
SFTY 5263	Indoor Air Quality			3	
ELECTIVES (3 semester hours)					
SFTY 5253	Philosophy of Safety Management			3	
SFTY 5273	Food Safety and Sanitation			3	
SFTY 5313	Current Literature in Occupational Safety			3	
SFTY 5323	Internship in Occupational Safety			3	
SFTY 5330	Research in Occupational Safety (thesis track only)			3	

All MS courses are designed to rotate through every three semesters (not counting summers) but this is subject to change based on demand. The week-end lab required for the Master of Science courses *Industrial Hygiene* and *HAZMAT* will meet for *one* weekend only for each of the respective courses. It is NOT an every week requirement.

Successful completion of a capstone *comprehensive exit examination* or *thesis* (enrollment in SFTY 5530 would be required if the thesis route is selected) will be required for graduation from the program.
