Summary Comments

It would be helpful if all assessments were listed as those related to COUN 5283 and 5543. A list of program Assessment related to the POAR report would be useful at the start of the report.

The program goals are clearly aligned with the standards and objectives of the accreditation process and the body that provides program credentials.

A board variety of assessment instruments are utilized to assess the program and monitor student progress and challenges. These include both direct and indirect as well as qualitative and quantitative assessment measures that really strengthens the program and report.

How are the results and reflection of assessment data utilized to improve the program?

Nice job identifying and addressing an action plan for improvement of identified concerns.
