BOYS & GIRLS CLUB OF RED RIVER VALLEY OKLAHOMA

The Boys and Girls Clubs of Durant and Ardmore have been asked by the Oklahoma DHS and The Governor's Office to host A Community Hope Center:

What this means is parents who have selected virtual learning for their child now have a safe place to bring their kids during the day where they will do their school work, communicate with their teachers and have hands on assistance with their school work, breakfast and lunch will be provided.

The purpose of this program is to assure a safe and learning environment for your child so parents can continue to work or seek employment. Program hours will be 7:30am - 3:30pm Monday-Friday. Children can stay and enjoy traditional Boys and Girls Club Programs until 6:30 if they like, we will feed them a supper meal as well. We are in the process of upgrading internet service, purchasing laptops and tablets as well as hiring qualified staff to assist with this program.

This program is open to any and all school age children in the Bryan County and Carter County Areas. If you would like more information please call 580-579-2423 and ask about the Community Hope Program..
