## GOLD Orientation

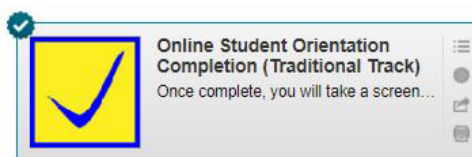

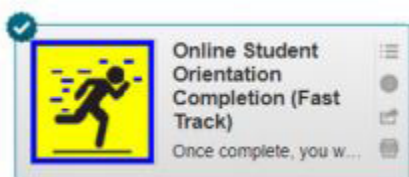

Starting in May, all online students were asked to complete GOLD: General Online Student Orientation. There are two tracks you can follow: the Traditional Track and the Fast Track. A badge from Orientation must be submitted in an assignment in online classes (and some Face to Face classes). Submission of the Orientation badge will unlock course work folders. If you have not yet completed GOLD and will be taking an online class in October, be sure to complete it ASAP!

## Traditional Track vs. Fast Track

The traditional track is for students that are new to Southeastern, or that would like to refresh their knowledge of Southeastern's online resources. The traditional track follows a series of four Objective folders with various activities that require completion before one can earn their Orientation Badge.

The fast track option is for returning Southeastern students. It is a relatively quick exam that covers the information in the Traditional Track path. Students must score 80% or higher in order to receive their Orientation Badge.

Note, these are what **complete** badges will look like:

# Southeastern Extended

**Southeastern Oklahoma State University is made up of a large extended family. At the core is our students, then we branch out into faculty, staff, and alumni. But it doesn't stop there. We both influence, and are influenced by our co-workers, friends, family, and community! The pulse of Southeastern is made strong by all these people working together. Southeastern Extended is a space to recognize this full extended family! Southeastern Extended is designed to allow these branches of Southeastern to come together as one. Whatever role you play in the life blood of Southeastern, please follow and participate here!**

In the spirit of Halloween, CIDT and Southeastern Extended held a costume contest from October 25th-31st on the Southeastern Extended Facebook page. Participants had to like the Southeastern Extended page, and comment their picture below the Costume Contest flyer. Each like of the comment equaled one vote. Here are the results!

**Thank you to all who participated!**
