

Southeastern Oklahoma State University

Teacher Education Program Conceptual Framework Model

SOUTHEASTERN
A CENTURY OF BUILDING FUTURES

PROFESSIONALS FOR THE 21ST CENTURY

COMPETENT • COMMITTED • ETHICAL

The teacher education program at Southeastern Oklahoma State University is dedicated to producing competent, committed, and ethical educators who can successfully work with diverse students. A professional for the 21st century is prepared to effectively utilize technology in planning and delivering instruction to diverse students while motivating and assessing all students. The theme statement *Professionals for the 21st Century: Competent, Committed, and Ethical* establishes the role of the candidates as they develop partnerships with professionals, parents, and the community in order to facilitate the education of all students in a caring, non-discriminatory and equitable manner.
