There is also a meeting scheduled with VP McMillan in November regarding the Post-Tenure Review. Sen. Moretti also reminded the Senate of the next Shared Governance Forum on Tuesday, November 12.

**B. Committee on Committees:** Sen. Wallace reported that the Committee on Committees has proposed nominations for two vacancies. The committee decided to complete the charge of contacting academic departments after the HLC visit. Sen. Coker also announced a change to the process in selecting Professor of the Year, in which there is a weighted value in nominations. The weighted value in nominations will help eliminate the need for tie-breakers. Other announcements concerned automatic notifications and verifications by email for nominations and votes cast. A request was made for the Planning Committee to submit the details of the changes in writing at the next Senate meeting.
- D. Personnel Policies Committee:** Sen. Fridley reported that the PPC will meet next week.
- E. Budget Committee:** Sen. Dixon is the chair of the committee. The committee will be looking at salaries and locating budget data.
- F. University Affairs Committee:** Sen. Stout reported the UAC met last Wednesday. Sens. Stout and Heitz will be following up on the issue of campus and building addresses. Also discussed were the Brown Bag lunches with a change from lunch to 1:00-2:00. The topics for the Brown Bag lunches are open. One possibility for topic is: in light of the attention drawn by “DFW” students, what are faculty doing to challenge “ABC” learners? The UAC will be contacting other RUSO institutions.

#### **IV. Presentation on the Mission Statement – Jerry Polson and Rhonda Richards**

Dr. Bryon Clark presented historical information on the development of the current University Mission Statement, including a list of the individuals who comprised the development group for the Mission Statement. Other supporting documents presented were printouts of the results of the SurveyMonkey survey from late 2012 and Minutes from 2012-2013 of the HLC Criterion 1-Mission committee. Dr. Clark stressed that one criterion for accreditation is the degree to which the Mission Statement is appropriate to the institution.

#### **V. Old Business**

Sen. Moretti reported that Ellen Hendrix indicates 585 courses out of approximately 1400 courses use Blackboard. Department chairs are still submitting lists of courses that should not have Blackboard fees attached. Future Blackboard fees will be rolled into a technology fee.

Sen. Brewster raised a question of how many items remain on the Faculty Senate “to do” list?

**VI. New Business****Next forum date – November 12<sup>th</sup>.**

Sen. Moretti indicated we need to decide upon a topic for the next forum. Sen. Poovey was interested in exploring the morale issue by breaking it down by specific incidents, large scale policy violations in one particular School that damaged morale across the University.

Another issue raised was that of adjuncts and the multitude of issues that relate to them.
