NOTES:

1 Graduation rates are based on a cohort of full-time, first-time, first-year students and do not include students who have transferred into the university from another institution. 2 The incoming cohort may be adjusted for students who left school to serve in the armed forces or on official church missions or with foreign aid service of the federal government, or students who died or were totally and permanently disabled. 3 Transfer-Out information is included although providing substantial preparation for students to enroll in other institutions is not part of the university's mission.
