

Welcome to SE *Your College Home*

My name is Erainna Winnett and I'm your College Coach for your freshman year at Southeastern. I want to personally welcome you to SE. You belong here and you are going to do great things!

What is a College Coach?

- My **purpose** on SE's campus is simply to get to know you individually and be a resource for you. I want your college experience to be the best it can possibly be. I am here to help you achieve your goals, overcome obstacles, and support you as you embark on your new journey as a college student.
- My **goal** is to meet with each of you at least once a month during the school year to touch base. Our meeting will average 15-20 minutes in length but can obviously be longer or shorter based on your wants and needs!

I understand that this whole College Coach thing seems strange. The more we meet, the more you'll understand what it's all about.

A little bit about me:

I'm originally from Louisiana but now live in Colbert on a small 300-acre cattle ranch. I've been married to my wonderful husband for thirty years and we have two daughters who both attended SE. I was a teacher for fifteen years, then transitioned to school counselor and have moved to Southeastern as their GEAR Up College Coach. I'm a self-proclaimed chocoholic and try to take a cruise each summer. Along with our cattle we have two horses, three cats, five dogs and hopefully soon, a dozen goats!

I am super excited to get to know you more and help you as you transition into your freshman year. Please feel free to stop by my office, email me, call my office number or text me at anytime. Let me know if you have questions and I can't wait to start our school year together.
