

Introducing HEALTH *through* ORAL WELLNESS®

Delta Dental of Oklahoma is dedicated to advancing the oral wellness of our members. We recognize each member is unique, and some may need additional services in order to achieve optimal oral health.

Throughout 2020, we will be introducing our new **Health *through* Oral Wellness® (HOW®)** enhanced benefits. HOW® is designed to boost your clients' existing Delta Dental plan with additional preventive benefits if they are at higher risk for developing caries and/or periodontal disease, based on the results of the HOW® approved assessment performed in a dentist office.

How works

DDOK member receives the HOW® approved assessment from a dentist

RISK SCORES

Member assessment results will have two (2) risk scores, on a scale of 1-5, associated with HOW® benefits:

- **Tooth Decay Risk Score**
- **Gum Disease Risk Score***

Boosted Benefits

If member receives risk score(s) of 4 or 5, he/she will qualify to receive additional preventive benefits

New clients to Delta Dental of Oklahoma in 2020 will be among the first to have access to HOW® benefits, in advance of our plan-wide launch in July 2020.
