COURSE WORK	<p>There will be quizzes every day except for the first day, exam days, and days after exams. Quizzes were usually consist of 1 or 2 short problems based on the previous lecture. A percentage of your quiz scores (the lowest) will be dropped at the end of the semester.</p> <p>Suggested odd problems from the homework will be listed on the course website (see the schedule pdf). These homework assignments will not be handed in, nor will they count towards your overall grade, but not doing them will most likely cause you to fail this course. COURSE MODIFICATION	I reserve the right to change any policies as I see fit to ensure that you are indeed receiving the best possible education that I can give you in the subject matter at hand. If I feel a certain aspect of the course does not appear to be effective in its method, I will attempt to change it (for the better I hope).
