Dear Vendor,

Historically, the State of Oklahoma has maintained two separate vendor files for payments, one for state agencies and one for institutions of higher education. In an effort to improve the use of direct deposit and to streamline the registration process for payees who receive payments from both state and higher education entities, the state is consolidating the higher education vendor file with the state's primary vendor file.

Upon the agency file conversion, payees currently in the higher education file will receive an email requesting that they register their banking information to EFT direct deposit payments. Any supplier, for whom we do not already have banking information in the state file, will receive this email. Additionally, in order to ensure a secure verification process, a small number of suppliers who have existing banking information in the file utilized currently by institution of higher education will be required to complete the state registration steps as well.

Higher Education payees should expect to receive an email from OMES providing instructions for direct deposit EFT registration through the State of Oklahoma Vendor Registration portal. Please be aware that the email requesting this information is not requesting that you email sensitive information back to the state. A secure process for EFT registration is provided and it is important that it be followed to best protect sensitive financial information.

We apologize in advance for any inconvenience or duplication of effort, but we believe that this change will be beneficial to both the state and its payees. Any questions should be submitted to Southeastern Oklahoma State University Purchasing by contacting 580-745-2132 or emailing purchasing@se.edu

Thank you for your understanding

Vendor/Payee Form should email completed and signed form to purchasing@se.edu
