Motion for the Faculty Senate (April 29, 2015)

Rationale: It has been brought to the attention of the Faculty Senate (FS) Archivist that there are some factual inaccuracies in postings on the Senate website (e.g. in the listing of FS Award winners). In order to facilitate corrections of these inaccuracies in a transparent and duly recorded manner, the following motion is made for a FS Bylaw.

Motion for a Bylaw: The Faculty Senate Archivist shall be authorized to make corrections of factual inaccuracies in documents and postings on the Senate website (e.g. the listings of FS Award winners). Such corrections and changes will be recorded and dated on a document called "Archive Corrections" that will be posted on the most recent 'Senate Documents' page of the FS website.
