**2) Approve Minutes From October 25, 2018 Meeting**

Dr. Mayers called for a motion to approve the meeting from the last meeting, Dr. Jeri Walker made a motion to approve which was 2<sup>nd</sup> by Dr. Josh Nannestad. The vote was unanimous

**3) Proposed Modification to the B.S. degree in Health and Physical Education**

All KIN courses need to be passed with a C or higher. If the student makes below a C, they will have to retake the course. Dr. Jerry Stout moved to approve. The motion was seconded by Dr. Jeri Walker.

Dr. Carolyn Fridley said that it is a requirement that to make and keep a C or higher average, just in their major course. Dr. Charles Matthews asked if this is was a good idea? The motion carried.

**4) Other New Business**

A) Handbook Modification

Hope to have an updated handbook by February for everyone to review

B) New Member, Dr. Kathy McDonald, School Counseling

C) Teams for developing completer surveys ( undergraduate and graduate)

Dr. Mayers said we need a team for studying the PPAT (Praxis Performance Assessment for Teachers) and developing an employers' survey. If you want to be a part of that email Dr. Mayers. Jon Hazel sent the link to Dr. Mayers for State ESSA (Every Student Succeeds Act). Dr. Mayers will post the link on the TEC Website. It measures student growth/learning.

Ms. Delashaw asked about the lab for the face-to-face section of EDUC 3313. Dr. Mayers explained the lab part was optional.

5) Adjourn

Motion to adjourn was made by Corie Delashaw
