3. B.A. in Psy (042) Add 4 new Options: Comprehensive Psychology, Clinical Psychology, Community Psychology, Psychology Research Methods

Discussion included reviewing documents for the 4 program options. One (online community psychology) was contingent on the approval of the new courses in item #2. Committee discussed the student experience (i.e., online or face-to-face). After reviewing documents there were no further questions and a motion was made to approve all 4 changes.

Motion to approve all 4 options: Rob Shauger

Second: Sondra Petty

In favor: 8

Opposed: 0

Abstaining: 0

After the three items the team discussed the overall scope of the committee as a team and described the chain of approval based on prior-year participants understandings. Discussion about setting a new meeting date for our next meeting resulted in the team not setting a new meeting date due to no other items that are waiting for finalization with Jennifer Swearingin for the rest of the semester. Committee chair noted that she will inform us when the team needs to meet again.

Committee adjourned 8:57AM
