Membership

The Graduate Council will be composed of six graduate faculty members who are not graduate coordinators, two graduate students, the Graduate Dean, and the coordinators of each of the graduate programs. In the case where a coordinator of a graduate program is also an administrator, he/she will appoint a faculty member from that graduate program to serve as his/her proxy. If there is a question whether a coordinator is an administrator or a staff member with administrative duties, the Committee on Committees will make the final decision. The chair of the council will be a faculty member. The Graduate Dean will serve as an ex officio, non-voting member and act as a liaison to the committee. Two members will be graduate students, recommended by the Graduate Dean and approved by the Graduate Council, and serve for two-year staggered terms. Six faculty members (who have Regular Faculty status) will be appointed by the Faculty Senate, two from the School of Business, two from the School of Education and Behavioral Sciences, and two from the School of Arts and Sciences. Appointments of the faculty members are for three-year terms.
