Emails sent with polls to all Curriculum Committee Members on Wednesday, February 14, 2024 at 9:28 am. Voting closed on Monday, February 19, 2024 at 3:00 pm and results were emailed to Jennifer Swearingin at 8:00 am on Thursday, February 22, 2024.

Items Needing Approval and Results:

- (1) A new course, FIN 4533 (Credit and Lending Analysis), is requested to be approved. Its creation would address the growing demand for proficient bankers in Durant and the Texoma region. (Received seven votes to approve. Four members did not vote).

- (2) A new course, ACCT 4513/FIN 4513 (Data Analytics), is requested to be approved. Really, it is not a new course. It has been taught before as ACCT 4970 (Special Studies). However, the desire is to move it out from under the umbrella of ACCT 4970 and give this subject material its own unique course number. (Received seven votes to approve. Four members did not vote).
