**Item Needing Approval and Result:**

- (1) The Department of Mathematics is requesting that MATH 4983 (Seminar: Classical Algebra and Geometry) be given a new course number, i.e., MATH 4983 would change to MATH 3333. Classical Algebra and Geometry has run for a couple of decades under the current number MATH 4983, but, with the implementation of Colleague, students taking MATH 4983 have erroneously been given credit for taking MATH 4982 (Senior Seminar, a different course). Thus, the Department of Mathematics would like to give Classical Algebra and Geometry its own course number to avoid this conflict. (Received eight votes to approve. Three members did not vote).
