GRANTS

- 2017 \$584.50 - Funds from a faculty research grant from Southeastern Oklahoma State University were used to make two poster presentations at the annual meeting of the Southwestern Social Sciences Association.
- 2014 \$662.00 - Funds from a faculty research grant from Southeastern Oklahoma State University were used to organize and chair a session on the sociology of aging at the annual meeting of the Southwestern Social Sciences Association.
- 2013 \$564.20 - Funds from a faculty research grant from Southeastern Oklahoma State University were used to organize and chair a session on the sociology of aging at the annual meeting of the Southwestern Social Sciences Association.
- 2011 \$365.00 – Funds from a faculty research grant from Southeastern Oklahoma State University were used to make a presentation at the annual meeting of the American Society on Aging.

- 2009 \$410.00 - Funds from a faculty research grant from Southeastern Oklahoma State University were used to conduct a study that focused on the religious habits and preferences of the millennial generation.
- 2009 \$515.58 - Funds from a faculty research grant from Southeastern Oklahoma State University were used to make a presentation at the annual meeting of the Southwestern Social Sciences Association.
- 2007 \$1,186.37 – Funds from a faculty research grant from Southeastern Oklahoma State University were used to conduct a study that focused on the presence of generational perspectives among religious groups.
- 2006 \$271.58 - Funds from a faculty research grant from Southeastern Oklahoma State University were used to make a presentation at the annual meeting of the Gerontological Society of America.
- 2005 \$927.50 – A faculty research grant from Southeastern Oklahoma State University was used to conduct an exploratory study of the factors that influence the decision to retire of Protestant clergy members.
- 2004 \$2,882.00 – A grant from the Center for Instructional Development & Technology at Southeastern Oklahoma State University was used to create a smart classroom in the Morrison Building.
- 2002 \$1,486.20 – A faculty research grant from Southeastern Oklahoma State University was used to gather data in order to assess the degree to which anecdotal information about generational differences in churches is supported by empirical research.
- 2002 \$604.00 – Funds from a faculty research grant from Southeastern Oklahoma State University were used to make a poster presentation at the annual meeting of the Association for Gerontology in Higher Education.
- 2001 \$1,481.85 – A faculty research grant from Southeastern Oklahoma State University was used to gather data from churches in the Southern Baptist Convention in order to assess the extent to which local churches are responding to the needs of their senior adult members.
- 2001 \$325.00 – Funds from a faculty research grant from Southeastern Oklahoma State University were used to conduct a qualitative study of sociology in rural areas using 35mm photography.
- 2001 \$1,244.26 - Faculty research grant funds from Southeastern Oklahoma State University were used to gather data from churches in order to conduct a case study analysis of existing senior adult ministry programs.

- 2000 \$850.00 - Faculty research grant funds from Southeastern Oklahoma State University were used to present a paper at the annual meeting of the Gerontological Society of America.
- 2000 \$515.00 - Funds from a faculty research grant from Southeastern Oklahoma State University were used to employ a student to assist with data entry on a study of the "oldest old" in rural Oklahoma.
- 1999 \$1,489.00 - Funds from a faculty research grant from Southeastern Oklahoma State University were used to conduct a survey of students and faculty members at selected theological schools in order to assess student and faculty perceptions of the elderly and the extent to which future ministers are being prepared to work with senior adults.
- 1999 \$330.00 - Faculty research grant funds from Southeastern Oklahoma State University were used to present a paper at the annual meeting of the Society for Applied Sociology.
- 1998 \$19,834.00 - Through a grant from the Corporation for National Service/Association for Gerontology in Higher Education with matching funds from Southeastern Oklahoma State University, an intergenerational service-learning component was added to an existing course. Ten senior adults were offered scholarships in order to participate in the course and work in "Learning-Partner Groups" with traditional-age college students.
- 1997 \$3,381.00 - Using a faculty research grant from Southeastern Oklahoma State University, a national mail survey of a selected religious group was undertaken in order to assess the extent to which local churches are responding to the needs of their senior adult members.
