Programs Typically Leading to Certification

School Counseling and Educational Leadership lead to Oklahoma certification. Many states allow students to obtain Oklahoma certification and then transfer the Oklahoma license to their state. Oklahoma certification requires a passing score on the Oklahoma Subject Area Test (OSAT) in School Counseling, Principalship, and Superintendent. The OSAT is offered nationwide at any Pearson Vue Testing Center. The information below is our best attempt to understand your state's certification. Students are **strongly encouraged to verify that our program meets your certification goals.** For further assistance, please contact Certification Officer Jennifer Arnold (jarnold@se.edu), School Counseling Coordinator Dr. Kathy McDonald (kmcdonald@se.edu), or Educational Leadership Coordinator Dr. Jerry Stout (jstout@se.edu).

If your goal is to be a certified school counselor, principal, or superintendent in Alaska, please check with the [Alaska State Department of Education](#) before enrolling in the SE school counseling program. You can access information about Alaska's out-of-state reciprocity agreement [here](#).
