Programs Typically Leading to Certification

* Educational Leadership and School Counseling lead to Oklahoma certification. Many states allow students to obtain Oklahoma certification and then transfer the Oklahoma license to their state. Oklahoma certification requires a passing score on the Oklahoma Subject Area Test (OSAT) in School Counseling, Principalship, and Superintendent. The OSAT is offered nationwide at any Pearson Vue Testing Center. The information below is our best attempt to understand your state's certification. **Students are strongly**

encouraged to verify that our program meets your certification goals within your state licensure requirements. For further assistance, please contact Certification Officer Jennifer Arnold (jarnold@se.edu), School Counseling Coordinator Dr. Kathy McDonald (kmcdonald@se.edu), or Educational Leadership Coordinator Dr. Jerry Stout (jstout@se.edu).

School Counseling – Georgia requires that their students who obtain a degree outside of their state to be from a CACREP program. **Southeastern is not CACREP accredited.** If your goal is to be a certified school counselor in Georgia, please check with the [Georgia State Department of Education](http://www.gadoe.org) before enrolling in the SE School Counseling program.
