Programs Typically Leading to Certification

* Educational Leadership and School Counseling lead to Oklahoma certification. Many states allow students to obtain Oklahoma certification and then transfer the Oklahoma license to their state. Oklahoma certification requires a passing score on the Oklahoma Subject Area Test (OSAT) in School Counseling, Principalship, and Superintendent. The OSAT is offered nationwide at any Pearson Vue Testing Center. The information below is our best attempt to understand your state's certification. **Students are strongly encouraged to verify that our program meets your certification goals within your state licensure requirements.** For further assistance, please contact Certification Officer Jennifer Arnold (jarnold@se.edu), School Counseling Coordinator Dr. Kathy McDonald (kmcdonald@se.edu), or Educational Leadership Coordinator Dr. Jerry Stout (jstout@se.edu).

Southeastern is currently unable to enroll students in programs leading to school counseling in the state of Kentucky. If your goal is to be a certified school counselor, principal, or superintendent in Kentucky, please check with the [Kentucky State Department of Education](#) before enrolling in the SE School Counseling program or Educational Leadership program. You can access information about Kentucky's out-of-state reciprocity agreement [here](#).
